MISSION ONE
{IDENTIFY YOURSELF}

DEAR PARENTS...

The New Year has definitely come and that means a new term of Mission One. We have already had a great time in the first term with the youth and are planning a great term called "Identify Yourself". The concept is that we want the youth to explore more about who they are and who God is.

Bedlam is coming in January and should be a retreat to remember. The retreat is at Muskoka Woods Sports Resort and the theme for the weekend is "Identity". If you have not already signed up for the retreat what are you waiting for!?

Our Mission One team is geared up and ready to go. It is a great team and I am so thankful to have their creative minds and servant hearts.

Here we go!!

ABOUT MISSION ONE...

Mission One is more than just a junior high night – it's an event! Throughout the course of the year, we will provide challenging and exciting activities in combination with sound Biblical teaching. Each week, junior high members will join a different team competing in games, activities and quizzing events. **Mission Bucks** will be awarded nightly and calculated on an ongoing basis. Rewards will be available monthly to all who have earned Mission Bucks. You can also save up for a grand ("X") prize at the end of the year.
